LOG Commercial Properties e Participações S.A.
Belo Horizonte - MG

Introduction

We have reviewed the accompanying condensed separate and consolidated interim financial information of LOG Commercial Properties e Participações S.A. ("Company"), contained in the Quarterly Information Form - ITR for the quarter ended June 30, 2016, which comprise the balance sheet as at June 30, 2016 and the related statement of operations, statement of comprehensive income, statement of changes in equity and cash flow statement for the six-month period ended, including the explanatory notes.

Management is responsible for the preparation of the condensed separate and consolidated interim financial information in accordance with CPC 21 (R1) and IAS 34 – Interim Financial Reporting issued by the International Accounting Standards Board - IASB, as well as for the fair presentation of this information consistently with standards issued by the CVM applicable to the preparation of Quarterly Information -ITR. Our responsibility is to express a conclusion on this interim financial information based on our review.

Scope of review

We conducted our review in accordance with Brazilian and International Standards on Review Engagements (NBC TR 2410 and ISRE 2410 - Review of condensed Interim Financial Information Performed by the Independent Auditor of the Entity, respectively). A review of interim financial information consists of making inquiries, primarily of persons responsible for financial and accounting matters, and applying analytical and other review procedures. A review is substantially less in scope than an audit conducted in accordance with International Standards on Auditing and consequently does not enable us to obtain assurance that we would become aware of all significant matters that might be identified in an audit. Accordingly, we do not express an audit opinion.

Conclusion on the condensed separate and consolidated interim financial information

Based on our review, nothing has come to our attention that causes us to believe that the accompanying condensed separate and consolidated interim financial information included in the quarterly information referred to above are not presented, in all material respects, in accordance with CPC 21 (R1) and IAS 34 applicable to the preparation of quarterly information (ITR) and presented consistently with the rules issued by the Brazilian Securities Exchange Commission.

Other matters

Statements of value added

We have also reviewed the separate and consolidated statement of value added (SVA), for the six-month period ended June 30, 2016, prepared under the responsibility of Company's management. The presentation of condensed interim financial information is required in accordance with CVM Standards applicable to the preparation of quarterly information (ITR), and as supplementary information by IFRS, which do not require SVA presentation. These statements have been subject to the same review procedures described above and, based on our review nothing has come to our attention that causes us to believe that they were not prepared, in all material respects, consistently with the individual and consolidated interim financial information taken as a whole.
